

CNC MACHINING

Equipment

CNC Machining centers

- 1 Horizontal machining center - Mori Seiki NH5000 10 pallet advanced manufacturing cell.
- 1 5 Axis high speed machining center - Mori Seiki NMV3000 DCG
- 1 Mill / Turn center with simultaneous 5 axis machining - Mori Seiki NTX2000 DCG
- 1 5 axis Vertical high torque machining center - Matsuura 800VG
- 1 4 axis Vertical high torque machining center - Matsuura 800VG
- 1 Vertical machining center with rotary indexing - Leadwell V20
- 1 Vertical machining center with rotary indexing - Leadwell TDC510
- 2 Vertical machining center with rotary indexing - Matsuura 500

CNC Lathes

- 1 CNC lathe with live milling & 3" bar capacity - Nakamura SC300M
- 1 CNC lathe with live milling & 2" bar capacity - Nakamura SC250M
- 1 CNC high torque 2 axis lathe - Mori Seiki SL200
- 1 CNC high torque 2 axis lathe - Nakamura TMC20
- 3 CNC 6" chuck lathe - Leadwell T6
- 2 CNC 8" chuck lathe - Leadwell T8

EDM

- 1 5 axis Wire EDM 15.75 Z axis, 30 deg taper - Charmilles Robofil 330F
- 2 4 axis Wire EDM - Mitsubishi FA10S

GRINDING

- 4 Manual surface grinders with DRO
- 1 Okamoto Automatic surface grinder with DRO
- 1 Cincinnati Monoset tool / cutter grinder.
- 1 Baldor carbide grinder
- 1 Chevalier Automatic surface grinder - FSG1020AD
- 2 Sunnen hones
- 1 Studer ID / OD grinder

MANUAL MACHINES

- 2 Leblond engine lathes
- 1 Cadillac gap bed lathe
- 1 Hardinge manual chucker
- 2 Hardinge tool lathes
- 1 Hardinge second operation lathe
- 8 Bridgeport mills with DRO and power feed
- 1 Bridgeport EZ trac power mill
- 3 Heavy duty drill presses
- 1 Doall vertical band saw
- 1 Drake vertical band saw
- 1 Hyd-Mech horizontal band saw
